

INVICTUS®

GREAT FLOORING · INVINCIBLE PERFORMANCE

INVICTUS CLICK

INVICTUS Maximus Click is a luxury vinyl floor, suitable for commercial and residential use.

CLEANING

Initial Cleaning

First remove all dirt and dust from the flooring with a brush or vacuum cleaner. Then clean with water and a neutral pH detergent, until the water stays clean. We recommend to use our Invictus PU Cleaner, other cleaning products may contain agents that damage resilient floor surfaces.

Regular cleaning

Daily / weekly maintenance by sweeping, vacuum or dust mopping or using a damp mop. (do not use vacuums with metal heads). Regularly sweeping removes loose dirt or grit as these can cause fine scratches.

When required, use a solution of clean water and our Invictus PU Cleaner. Do not flood the floor with water. Rinse thoroughly and soak up residual water.

Always wipe up spills as soon as possible, to reduce the risk of slipping and possible staining.

Do not use chlorinated solvents. Never use wax or varnish coating. Never use maintenance products that contain wax or oil. (furniture polish spray should be avoided as they can cause slippery floors)

Never use a steam mop.

WARRANTY INFO AND CONDITIONS

Warranty for first user

If you notice a defect, contact your dealer within two weeks with your original purchase receipt. For more detailed information: www.invictus.co.uk
